

•Tuesday, April 27 1000-1130 hours, Building 428

New Parent Support Group meets every 2nd and 4th Tuesday of the month. This program is designed to strengthen parent's knowledge and skills so that they are better equipped to provide environments where their children can thrive. The program is also designed to provide parents with the necessary tools to help reduce life stressors that can increase the risk of child abuse and neglect. Seasonal parents are highly encouraged to attend and share their parenting experiences. Children are welcome.
