

Single and Dual Military Parents Support Group meets every 4th Wednesday of the month.

Are you a single parent? Is your spouse deployed? Are you among the growing number of married/single parents due to deployment or lengthy TDY's? Are you ready to make things happen? Are you ready to be a part of a strong, incredible group of people? If you answered Yes to any of these questions, than this is the group for you.

This month's topic of discussion: "Why a Support Group of this type is Important?"

A private playroom is available where parents can observe their child playing and interacting with other children.
